WD FLEET 3D Application

Are your drivers tired of paper forms?

Eurowag offers **WD FLEET 3D**, a comprehensive solution for **planning and transport**.

Webdispatching is an app that lets dispatchers schedule transport and send it to a driver using the Forwarding module. He or she then sees it on a tablet with the WD Fleet 3D app installed.

Using WD Fleet 3D, the driver accepts the transport and starts out, **first creating an online form** to navigate to preloaded stops, do what the dispatcher has scheduled and communicate status.

WD FLEET 3D Application

There are a number of functions drivers can use while transporting, such as communicating online, taking a picture of documents and following refueling suggestions.

If you are interested in learning more, contact your sales representative or technical support at +420 233 555 111.

BREAKING NEWS - Eurowag acquires 51% of KomTeS

Eurowag, a leading provider of commercial transport solutions, has acquired 51% of KomTeS, a company that has been selling value added Webdispatching products to Eurowag.

The agreement ensures the high level of support and customer service Eurowag and KomTeS provide in the Czech Republic and Slovakia will continue.

KomTeS currently serves more than 1,700 customers and operates more than 25,000 telematic units for CRT, agriculture and fleets.

The company provides these customers with Webdispatching, Eurowag's leading fleet management solution, and also offers additional services including hardware installation, training, customization, and support.

Years of market experience have enabled KomTeS to thoroughly understand the needs of its customers in the Czech Republic and Slovakia and how to provide them with the highest quality services.

"This acquisition ultimately seeks to provide both Eurowag and KomTeS customers with the highest quality comprehensive solutions and services on the market," commented Marc Trollet, Managing Director of Telematics at Eurowag.

Acquiring a majority of KomTeS was logically the next step after the two companies had signed a partnership agreement early last year to make KomTeS the exclusive seller of Webdispatching for the Czech Republic and Slovakia.

Closer cooperation will help create a unified voice and face for fleet management software in these key markets, with Eurowag customers benefiting from the years of experience KomTeS brings.

NEWS FOR YOU - POINTS ACHIEVED program ends

POINTS ACHIEVED was terminated on 31 December 2020.

Please use **POI MANAGEMENT** as an alternative to **POINTS ACHIEVED**.

If you need assistance setting up **POI MANAGEMENT**, don't hesitate to contact our technical support at +420 233 555 111.

Or use the main manual, which describes **POI MANAGEMENT**. It can be found at www.webdispecink.cz, under support.

The screenshot displays the webdispecink.cz application. The top part shows a map of Central Europe, including parts of Germany (Německo) and the Czech Republic (Česko). The map is centered around Prague (Praha). Below the map, there is a navigation menu with several options: 'Knihna jízdy - 6AX 1980', 'Přiblížit dle', 'Náklady', 'Body dosažení', 'Dočké zprávy', and 'Vlastní místa'. The 'Vlastní místa' option is highlighted with a red box. Below the menu, there is a table titled 'Zobrazit označená na mapě' (Show marked on map). The table has columns for 'Název místa', 'Zem. sířka', 'Zem. délka', 'Rádus', 'Vřstva', 'Kód', 'Uživatel', 'Druh', and 'Typ klasifikace'. The table contains three rows of data:

Název místa	Zem. sířka	Zem. délka	Rádus	Vřstva	Kód	Uživatel	Druh	Typ klasifikace
	50,003351	12,822290	200		83020360318		kategorie PŘÍJÍZ. celák	
	070415	49,061314	16,751984	200	59011770415		kategorie PŘÍJÍZ. celák	
	070415	49,061314	16,751984	200	59011770415		kategorie	

NEWS FOR YOU – Changes in travel allowances for 2021

Meal allowances - local:

The table below shows meal allowances provided to employees for each workday spent on the road, depending on the length of the journey.

Basic meal allowance rates and rates for curtailed meals in 2021 are ready to be imported directly to Webdispatching.

There are no changes in “curtailed” meals.

Settings/Codes/Meal allowances

Settings/Codes/Curtailed meal allowances

Délka pracovní cesty	Podnikatelská sféra (nejméně)	Státní sféra
5 až 12 hodin	91 Kč	91 Kč – 108 Kč
Déle než 12 hodin, nejdéle však 18 hodin	138 Kč	138 Kč – 167 Kč
Déle než 18 hodin	217 Kč	217 Kč – 259 Kč

NEWS FOR YOU – Changes in travel allowances for 2021

Meal allowances - international:

Seventeen countries have increased their meal allowances for 2021.

Země	Rok 2020	Rok 2021
Afghánistán	40 EUR	45 EUR
Albánie	35 EUR	40 EUR
Bulharsko	35 EUR	40 EUR
Čad	45 EUR	50 EUR
Filipíny	35 EUR	40 EUR
Indonésie	35 EUR	40 EUR
Kamerun	45 EUR	50 EUR
Kuba	50 EUR	55 EUR
Niger	45 EUR	50 EUR
Nigérie	45 EUR	50 EUR
Rovníková Guinea	45 EUR	50 EUR
Senegal	45 EUR	50 EUR
Slovinsko	35 EUR	40 EUR
Svatý Tomáš a Príncův ostrov	35 EUR	40 EUR
Švédsko	50 EUR	55 EUR
Tchaj - wan	40 EUR	45 EUR
Turkmenistán	40 EUR	45 EUR

NEWS FOR YOU – Changes in travel allowances for 2021

Average fuel prices for 2021:
Average prices per liter of fuel
for 2021:

- 27,80 Kč u benzínu automobilového 95 oktanů,
- 31,50 Kč u benzínu automobilového 98 oktanů,
- 27,20 Kč u motorové nafty,
- 5 Kč za 1 kilowatthodinu elektřiny.

WARNING –Support ends for outdated TLS protocols on API interface - **DEADLINE MOVED TO 14 February 2021!**

Dear Customers and Partners,

On 14.2.2021, support for encrypted communication via the old TLS 1.0 and 1.1 cryptographic protocols will be ending on the Webdispatching API.

These methods of communication are used in obsolete operating systems and will be posing a security risk in the future. Secure communication through TLS 1.2 is still supported and it is recommended for you to switch to it.

Please tell your suppliers of internal and external applications connecting you to the Webdispatching API about these changes. Any connections to systems not in line with these changes will cease to be functional after this date.

If you have any questions about the end of support, send an email to webdispecink.tlm@eurowag.com or contact our help line at +420 233 555 111.

Thank you for your understanding.
The Webdispatching Team

The screenshot shows the homepage of the API Webdispatching website. At the top, there is a dark green header with the logo and the text "API Webdispatching". To the right of the header is a search bar with the placeholder text "Search terms". Below the header is a navigation menu with four items: "Introduction", "Compatibility", "Reference guide", and "Examples". The main content area has a white background and features the heading "Make the most of the Webdispatching application for your website." Below this heading is a paragraph of text: "By using the Webdispatching API you can implement some functions from the Webdispatching application to the pages running on your server." This is followed by another paragraph: "SDAP (XML) technology is used for communicating between the applications." The final paragraph states: "The set of API Webdispatching functions is demonstrated in the examples in PHP5 programming language. The use of the Webdispatching API is governed by the [license terms](#). Free usage is limited to 2000 server queries per day and no technical support is provided." To the right of the text is an image of a computer monitor displaying a web application interface with a map and data tables.

NOTE –All training moves online

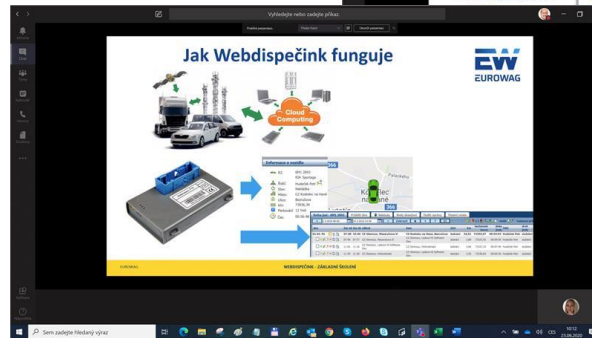

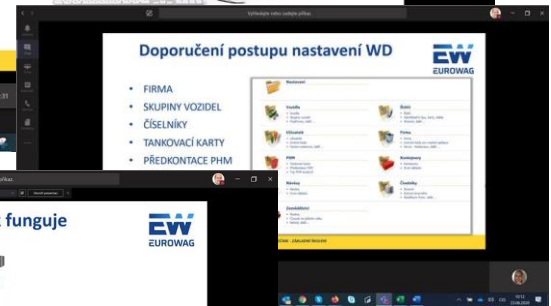

Dear Customers,

To protect your health and minimize the spread of the Covid-19 virus, all professional training is moving online.

Details are specified in an email everybody that had earlier signed up for training should have received.

Thank you for your understanding and the best of health to everyone.

The Webdispatching Team

Customer training - Sign up for free training

We are starting a further series of training sessions you can join at no charge. Dates have been set until March 2021.

Either basic or expanded training is available in selected chapters of Webdispatching.

More information can be found at the link to ["Free training"](#) at the Webdispatching portal.

We look forward to seeing you.

The screenshot shows the top navigation bar with links: O PRODUKTU, REFERENCE, PODPORA, KONTAKTY, and VYZKOUŠET. The main header features the Webdispečink logo (Powered by EUROWAG) and a background image of a hand holding a smartphone. A green sidebar menu on the left contains links: O NÁS, CO JE TO WEBDISPEČINK, UNIKÁTNÍ VLASTNOSTI WEBDISPEČINKU, JAK SI POŘÍDIT SLUŽBU WEBDISPEČINK, OBOROVÁ ŘEŠENÍ, and REFERENCE. Below the menu are two orange buttons: SVĚT WEBDISPEČINKU and ŠKOLENÍ ZDARMA. The main content area displays the title 'REGISTRACE' and the announcement: 'ONLINE ŠKOLENÍ KLIENTŮ - APLIKACE WEBDISPEČINK PRO NÁKLADNÍ VOZIDLA 06/2020'. The event details are: 'Kdy: **středa 24.6.2020 10:00 - 13:00**', 'Kde: **online - pomocí nástroje Microsoft Teams**'. A note states: 'ABYCHOM CHRÁNILI NAŠE ZDRAVÍ, VEŠKERÁ ŠKOLENÍ BUDOU PROVÁDĚNA ONLINE. PODROBNOSTI UPŘESNÍME V E-MAILU, KTERÝ OBRŽÍ KAŽDÝ PŘIHLÁŠENÝ PŘED DANÉHO ŠKOLENÍ.'
