### NEWS - New "Support" tab

In the top menu, we added a new "Support" item that opens a modal window with contacts for support.

We also removed the phone button that opened the contacts from the home page.

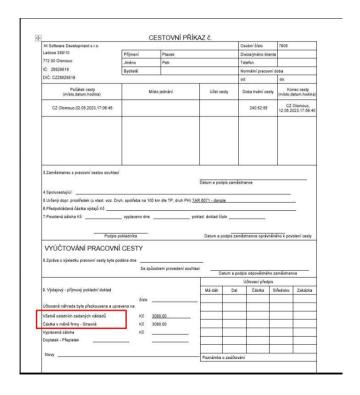

Furthermore, the flags for changing the language were modified on WebDispatch, now they are expanded only when the mouse is hovered over.

# NEWS – Travel orders - descriptions of totals

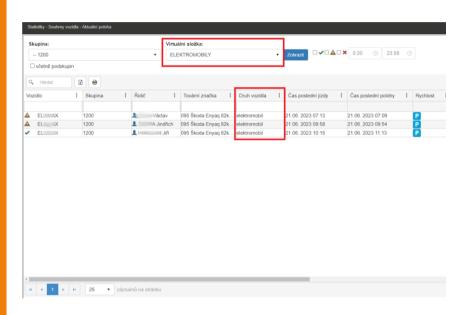

New sum descriptions have been added to travel orders:

- Including other assigned costs
- Amount in company's currency -Meals

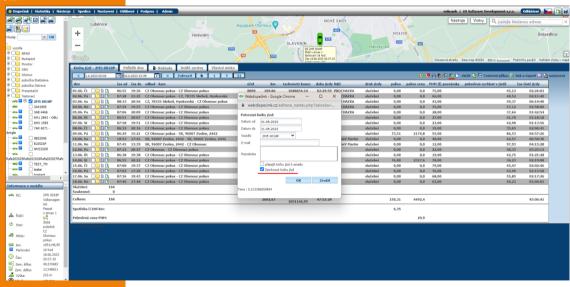

#### NEWS – Current location Statistics – filter for virtual folders

In Current location statistics
(Statistics " Vehicle summaries
" Current location) was added
a filter for virtual folders and a
new column Vehicle type.

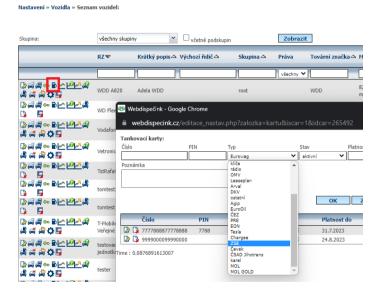

## NEWS – Checkbox for locking the logbook

When confirming the logbook via the "Confirm logbook" button it will automatically check the "Lock logbook" checkbox in the logbook.

## NEWS - New type of fuel card

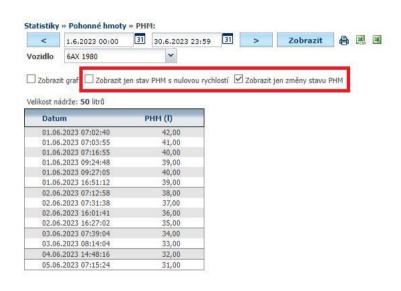

The dial in the fuel cards has been extended by the ZSE type.

#### NEWS – New filters in Fuel status statistics

Two new filters have been added to the Fuel Status statistics (Statistics " Fuel " Fuel Status):

- Show only changes in fuel status
- Show only fuel status with zero speed

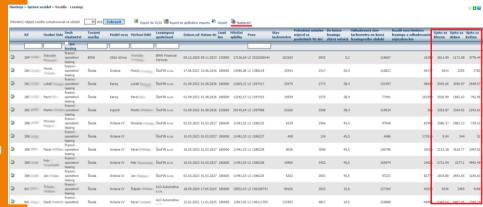

## NEWS – Added columns to Leasing statistics

In Leasing statistics (Tools " Vehicle Management " Leasing) were added three columns with mileage for 3 months.

The columns do not take the setting "Average vehicle mileage to be evaluated over a period of xx days" and are set to 3 previous months from the display date.

I.e. if I look today (June), I will see the columns " Mileage for March", "Mileage for April" and "Mileage for May".

New columns are not displayed by default settings, their visibility can be turned on in the statistics view settings (cogwheel).

# NOTICE – Change of meal allowance rates within the Slovak Republic
