NOTICE – Change the login in Webdispecink system

We are improving the availability of services and increasing security. As a result, we're converting you to a new way of login.

As of **17.6.2024**, login to all EUROWAG applications will be simplified.

You will still use your login details, i.e. your company code, username and password.

Only the look and use of the login form will change.

NOTICE – Change the login in Webdispecink system

In case you do not know your login details, please contact your fleet manager. If you don't know your current password, here are steps on how to view it in browser.

Use the instructions for the specific browser you use to log in to Webdispecink, which is listed on the next page.

NOTICE – Change the login in Webdispecink system

Launch a browser Microsoft Edge/Chrome/Fire fox on your computer.

Click on the three horizontal lines or dots in the top right corner of the browser to open the main menu. Go to the Passwords section:

Edge: In the left menu, click on "Profiles" and then select "Passwords".

Fire fox: In the main menu, select "Passwords" (or "Login data and passwords").

Chrome: In the left menu, click on "Autofill" and then "Passwords".

Now you should see a list of all the sites for which you have saved passwords. Next to each entry you will see an eye/arrow icon which you can click to view the password.

To view your password, you will need to enter the password for your user account on your computer.

NOTICE – Change the login in Webdispecink system

The login screens will also change in the following applications:

- **Mobile application Webdispecink**

Your login data entered before 17.6.2024 are valid in the current version of the WD mobile application. If they are changed or new access is created after 17.6.2024, it is necessary to install a new version of WD mobile application and use the new login access to the application.

NOTICE – Change the login in Webdispecink system

- **API Webdispecink**
There is no change for accesses that use the Webdispecink interface API.

However, if you use the same login data to access Webdispecink, these login data will not work and it is necessary to create a new user access to log in to Webdispecink.

The screenshot shows the homepage of the API Webdispatching website. The header features the logo and the text "API Webdispatching" on the left, and a search bar on the right. Below the header is a navigation menu with links for "Home", "Partners", "Guides", "Examples", and "Pricing". The main content area has a heading "Make the most of the Webdispatching application for your website." followed by a paragraph explaining the API's use of SOAP (XML) technology and its application in PHP5 programming. To the right of the text is an image of a computer monitor displaying a web application interface with a map and data tables. Below the main text, there is a "Reference guide" section with a "List of all functions" subsection. A search bar in this section shows the function name "_addUserPointRight" and its description: "The function inserts rights to the point of achievement". At the bottom right of the page, there are two buttons for "API version 1.0" and "API version 2.0", with the latter being highlighted in green.

NOTICE – Change the login in Webdispecink system

Thank you for your understanding and if you have any questions, please do not hesitate to contact technical support at phone number 233 555 111.

We will inform you of any changes by posting updates on the website Webdispecink.

The screenshot displays the Webdispecink website interface. At the top, there is a navigation bar with the slogan "...protože vše je v pohybu" and contact information: a phone number "+420 233 555 111" and an email address "webdispecink@eurorag.com". The main navigation menu includes "O PRODUKTU", "REFERENCE", "PODPORA", "KONTAKTY", and "VYZKOUSĚT". The central banner features the Webdispecink logo, "Powered by EUROWAG", and a headline in Czech: "eFLEET MANAGEMENT VÁM POMŮŽE SE ZAŘAZENÍM ELEKTROMOBILŮ DO VAŠEHO VOZOVÉHO PARKU". To the right is a login section titled "Přihlásit" with input fields for "Kód firmy:" (containing "hisoft"), "Jméno:", and "Heslo:", along with a "Zapomenuté heslo?" link and a "PŘIHLÁSIT" button. Below the banner, a green bar contains the text: "WEBDISPEČINK je komplexní systém GPS sledování vozidel i řízení autoparku. Ušetří váš čas a náklady. Součástí je i elektronická kniha jízd." The "AKTUALITY" section lists three news items: "21.5.2024 AKTUALIZACE PROHLÍZEČŮ ZPOMALÍ WEBDISPEČINK Po aktualizaci prohlížeče ... VÍCE", "22.3.2024 NOVÁ MOBILNÍ APLIKACE WEBDISPEČINK Seznamte se s naší novo... VÍCE", and "20.2.2024 UPOZORNĚNÍ NA RYCHLOSTNÍ KAMERY A JEJICH ZOBRAZENÍ Přečtěte si naše únorová ... VÍCE". A "ZOBRAZIT VÍCE" button is located at the bottom of the news section.

END

We hope that you have found useful information in the articles in this issue of the magazine that will make working with your fleet even easier.

Thank you for your trust.
